

THODDOO RETREAT

MALDIVES

GUEST HOUSE

Located in North Ari Atoll, Thoddoo is a local island in the Maldives that is well known for farming, especially for growing water melons. The population is about 3000 and villagers live on the east side and central part of the island, rest are just farmlands. A secluded area of the Thoddoo's pristine beach is allocated for tourism. Guests can wear bikini and enjoy the in the beautiful lagoon that stretches as far as 750 km from the shoreline.

In this beautiful island an exotic guesthouse with a friendly team of staff offers a great Maldives experience. This is Thoddoo Retreat, a 3 star guest house with 11 rooms and Dive Centre.

TRANSFER - HOW TO GET THERE

Speedboat ferry is operated all days of the week except Friday. It takes 80 minutes each way. Last boat to Thoddoo leaves from Male' at 1600 hrs in the afternoon. Some days there may be multiple transfers.

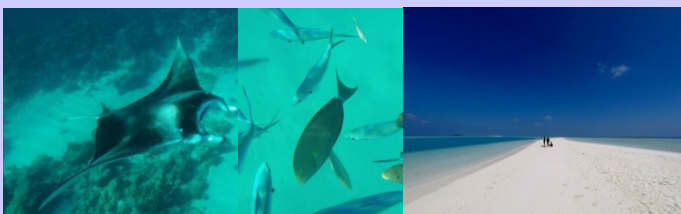

Departure guests come back to airport at around 0830 hrs in the morning. Thoddoo Retreat Airport Rep assists tourists to meet the speedboat ferry.

Seaplane transfer is also arranged upon request, the seaplane lands at Veligandu or Kuramathi platform from where a speedboat ride of about 20 minutes takes you to Thoddoo.

DINING

Breakfast, Lunch & Dinner served in hotel's dining area. There are 2 restaurants in few minutes of walking distance if guests wish to go out.
